Seven (7) years when installed on the interior glass surface of a residential or commercial building

Two (2) years when specific exterior grade products* are installed on the exterior glass surface of a residence or commercial building

LIMITED WARRANTY

Madico, Inc. warrants its window film products, for the duration of this warranty, against window film defects causing peeling, adhesive failure, bubbling, cracking, crazing, demetalizing, or delaminating, when the film is properly installed by a Madico dealer on the interior surface of glass windows and doors. In the event that the Madico film is defective, Madico will provide replacement film and will pay the reasonable and customary labor costs for the removal of the defective film and installation of the replacement film, provided that said work is performed by a reputable independent film installer, except that in no event shall such installation cost and film value exceed the cost of the original film installation. Installation of replacement film under this warranty shall not extend this warranty or create a new warranty for the replacement film.

This warranty DOES NOT cover glass breakage or insulated glass unit seal failure. This warranty DOES NOT cover improper installation of Madico film. Window film installers are independent contractors and are not agents or representatives of Madico, and no window film installer is authorized to represent that he is an agent or representative of Madico. Madico shall not be liable for any loss, damage, expense or cost caused in whole or in part by improper film installation, improper care or maintenance of the window film, non-conforming applications or uses, or any problem other than defects in the Madico window film.

The benefits under this warranty shall be the sole and exclusive remedy against Madico for any loss arising out of the sale, application, and/or use of Madico window film. Other than replacement of any defective window film, as set forth herein, Madico shall not under any circumstances be responsible for, or liable to any party for, any economic loss or physical harm, or any incidental or consequential damages, or special damages. Some states do not allow the limitations of liability set forth herein, so some or all of these limitations may not apply to you.

This warranty may not be modified in any respect except by a written document signed by Madico. In order to be effective, this warranty must be filled out by the customer and forwarded to Madico for registration, with a copy of the installation invoice, within 30 days of the installation of the Madico film to be covered by this warranty. All warranty claims must be sent to Madico in writing within the time period that warranty coverage is in effect. Madico's address for warranty registration and for claims is: Madico, Inc., Warranty Department, 64 Industrial Parkway, Woburn, MA, 01801

WINDOW FILM CARE AND MAINTENANCE:

Do not clean the film for 30-days after installation. Do not use brushes, abrasive sponges or solutions that contain abrasive materials. Always use a soft clean cloth to wash and dry your windows. Common cleaning solutions such as Windex® and other window cleaning solutions may be safely used to clean your windows. *Windex is a registered trademark of SC Johnson.
